# Standing still doesn't satisfy us.

Inspiration doesn't strike at rest. It's born in motion, with eyes wide open to new possibilities. Movement wakes us up and sparks unprecedented thinking. At Kia, this is what drives us to keep pushing, seeking, and transforming. Relentless in our mission to build exciting, quality vehicles with the design, performance, capability, and innovative technology to be more than a means of transportation, but also a catalyst for inspiration. In this spirit, we created the Kia 2025 lineup of vehicles.

## You bring the plans. We'll bring the power.

### **Award-winning SUVs and sedans**

command the off-road and civilized world with grit, grace, and excitement, courtesy of available turbocharged engines, advanced performance, and outstanding versatility — from Telluride's available towing capability of up to 5,500 lbs.<sup>2\*\*</sup> to the class-leading torque of K5 GT.<sup>3</sup>

### **Forward-thinking, alternative-fuel models**

include the EV9, the EV6, and our Sorento, Sportage, and Niro electrified models — Kia's cutting-edge lineup of all-electric, hybrid, and plug-in hybrid vehicles that feature technologies designed to help enhance range,<sup>4</sup> efficiency, and versatility.

### **Advanced driver-assistance technologies\***

include our suite of standard and available state-of-the-art systems for emergency braking,<sup>5</sup> lane keeping,<sup>5</sup> blind-spot monitoring,<sup>5</sup> and more, for extra peace of mind, wherever adventure calls you.

### **Advanced all-wheel-drive systems\*\***

are available on most Kia models to enhance handling, stability, and all-weather confidence in a variety of conditions — with added capability features such as AWD Lock Mode\* and multi-terrain modes\* available on Telluride, Sorento, Sportage, and Seltos to further boost off-road adventures.

\*Optional features available only on certain trims. See Features page for availability. †X-Pro models. ‡No system, no matter how advanced, can compensate for all driver error and/or driving conditions. The Niro Plug-In Hybrid (PHEV) combines the qualities of our hybrid and fully electric Niro to give you the best of both worlds. Its powerfully efficient plug-in hybrid electric powertrain delivers a total of 180 horsepower, a long driving range, and the ability to plug in, charge up, and go all-electric at the push of a button — so you can head out for the day and rest assured that should you exceed your all-electric range, PHEV will kick into hybrid mode automatically. And like all Niro models, PHEV's intuitive cockpit keeps you connected with standard advanced driver-assistance technologies such as Blind-Spot Collision Warning,<sup>5</sup> along with available features such as a 10.25-inch touch-screen display.<sup>7\*</sup>

## Endnotes

**1.** Kia's New Vehicle Limited Warranty includes a 10-year/100,000-mile powertrain limited warranty and a 5-year/60,000-mile basic limited warranty. All warranties and roadside assistance are limited. See your Warranty and Consumer Information Manual or your Kia retailer for warranty details. **2.** Towing requires additional equipment. See Owner's Manual for towing capacity, additional instructions, and warnings. Always use caution while towing. **3.** Class-leading torque claim based on comparison of torque specification of GT 2.5L K5 turbo engine to other vehicles in mid-size sedan class, as of March 2024. Mid-size sedan class as defined by Kia segmentation. **4.** Actual range will vary with options, driving conditions, driving habits, and your vehicle's condition. **5.** These features are not substitutes for safe driving and may not detect all objects surrounding vehicle. Always drive safely and use caution. **6.** Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution. **7.** Distracted driving can result in a loss of vehicle control. When operating a vehicle, never use a handheld device or vehicle system that takes your focus away from safe vehicle operation. Navigation is for information purposes only, and Kia does not make any warranties about the accuracy of the information. **8.** Purchase/lease of a new 2025 Kia vehicle with Kia Connect includes a complimentary 3 year subscription starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 3 year Kia Connect subscription expires, continued access to Kia Connect will require a paid subscription at the then current subscription rate or your use of Kia Connect will immediately terminate. Use of Kia Connect is subject to agreement to the Kia Connect Privacy Policy available at <https://owners.kia.com/us/en/privacy-policy.html> and Terms of Service available at <https://owners.kia.com/us/en/terms-of-service.html>. Kia Connect transferrable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. The Kia Access App is available from the App Store® or Google Play™ Store. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. App Store is a service mark of Apple, Inc. **9.** Remote features require a Kia Connect subscription, a compatible smartphone, and a wireless signal with good coverage to function. Normal cellular service rates may apply. Do not use remote climate control if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control command. If any door or hatch is not closed properly, the remote lock and unlock functions will not work. **10.** Digital Features and Services may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. Kia Connect subscription required and Kia Connect terms and conditions apply. Complimentary subscription may not include all available features and services. Digital Features and Services may be currently unavailable for Vehicles purchased or sold in Massachusetts that are not eligible for Kia Connect Services. **11.** Kia Digital Key requires an eligible Kia Connect subscription and a compatible smart device with an active data plan. Normal cellular service rates may apply when using a smart device. **12.** Wi-Fi Hotspot is available on select 2024 and newer Kia vehicles and requires enrollment in Kia Connect. Trial or paid subscription data plan required. Wi-Fi Hotspot services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services may collect location information. Verizon is the network provider for Wi-Fi Hotspot, which uses Verizon's 4G LTE network to transmit data. Data usage applies. Coverage not available everywhere. See <https://www.verizon.com/featured/our-network> for coverage map. Complimentary Wi-Fi Hotspot trial begins on activation date and expires at the end of three months or after 3GB of data is used, whichever comes first. Verizon Wireless data subscription required upon end of complimentary Wi-Fi Hotspot trial. Limit one trial per vehicle. Up to 5 devices can be supported using in-vehicle connectivity. Use of Wi-Fi Hotspot is subject to Verizon Wireless Customer Agreement (<https://www.verizon.com/legal/notices/customer-agreement/>). Wi-Fi Hotspot may be unavailable for model year 2022 and newer vehicles that are purchased or sold in Massachusetts. Vehicle must be running or in accessory mode for Wi-Fi Hotspot to function. Never drive distracted. Driver should only use Wi-Fi features when the vehicle is parked in a safe location. **13.** All-electric range based on projected EPA estimates on a full battery charge. Range will vary and depends on a number of factors, including battery age, vehicle maintenance, charging practice, weather, road/traffic conditions, ambient temperature, driving habits, options, cargo, and others. Battery capacity will decrease with time and use. For more information on range, please see [www.fueleconomy.gov](http://www.fueleconomy.gov). **14.** Charge time based on Kia Corporation testing with 350 kW DC fast charger. Actual charge time may vary with options, driving conditions, driving habits, vehicle maintenance, charging practice, battery age, weather, temperature, and your vehicle's condition. Battery capacity will decrease with time and use. Frequent use of DC fast charging can negatively impact battery performance and durability, and Kia recommends minimizing use of DC fast charging. **15.** Towing may significantly reduce electric range and requires additional equipment. See Owner's Manual for towing capacity, additional instructions, and warnings. Always use caution while towing. **16.** Reclining seat and/or elevating footrest can reduce the effectiveness of the safety restraint system and may lead to additional injury in an accident. **17.** Driving with tailgate open may be unlawful and can draw dangerous exhaust fumes into vehicle; if you choose to do so, keep air vents and windows open for ventilation. **18.** Use extreme caution when using the seat warmers to avoid burns. Refer to the Owner's Manual for more safety information. **19.** Qi-enabled smartphone required. **20.** Apple CarPlay®, Siri®, and iPhone® are registered trademarks of Apple Inc. **21.** Vehicle user interface is a product of Google and its terms and privacy statements apply. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at [g.co/androidauto/requirements](http://g.co/androidauto/requirements). Data plan rates apply. Android and Android Auto are trademarks of Google LLC. **22.** Driver Attention Warning is not a substitute for safe driving and may not detect all instances of inattentive driving practices. Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution. **23.** High Beam Assist does not operate below certain speeds, or in some lighting and driving conditions. Please be aware of your surroundings and exercise proper road etiquette when operating a vehicle using the high beams. **24.** Highway Driving Assist and Advanced Highway Driving Assist only function on certain federal highways. When engaged, Highway Driving Assist/Advanced Highway Driving Assist is not a substitute for safe driving and may not detect all objects around the vehicle. Always drive safely and use caution. **25.** Rear Occupant Alert is not a substitute for one's attention and may not detect all movement within the vehicle. Always check the vehicle interior when exiting the vehicle. ROA notifications require a Kia Connect subscription, a compatible smartphone and a wireless signal with good coverage to function.

Normal cellular service rates may apply. **26.** Safe Exit Assist/Warning is not a substitute for one's attention and may not detect all objects surrounding the vehicle. Always pay attention to traffic and to the area around your vehicle when exiting the vehicle. **27.** HomeLink® is a registered trademark of Gentex Corporation. **28.** Meridian is a trademark of Meridian Audio Limited. **29.** Onboard Power Generator requires the purchase of separately sold additional equipment and may not be compatible with all devices. Onboard Power Generator can be used until the battery's charge falls to 20 percent. **30.** Full Display Mirror is a registered trademark of Gentex Corporation. **31.** Remote Smart Parking Assist is a supplemental feature. The driver is responsible for ensuring the safe operation of the vehicle and that there are no objects or people around the vehicle. **32.** 0-60 time based on internal Kia testing. Actual results may vary depending on options, driving conditions, driving habits, and your vehicle's condition. Verification of these results should not be attempted.
